I Bridgett M. Gallagher,  
Gentle of spirit, kind, strong body and  
good character wish to challenge the  
validity of my mom's change of  
Executor from my Dad, Peter M. Gallagher  
to her mother (Annette Guerriero)

It is both my belief and my father's  
that the Executor was changed while  
my mom was under "undue influence"  
while in a drug induced state, and thus  
not capable of making a rational decision.

I was present when my mother expressed  
her wishes as how to best use the proceeds  
from her Term Policy.

Please Respect my Wishes and allow due process  
to run its course. Everything will be done  
legally and with my best interest in mind.

To ignore this Request would be to expose Met. Life  
to a lawsuit.

Thank you.

My lawyer's card is  
enclosed. Thank you.
